Re: Brandon v. Alam, 18-CV-10158 (NSR)

Dear Judge Roman:

This Office represents defendant Doctor Tasbirul Alam in the above –captioned pro se matter. I write to respectfully request an extension of time for the defendant to file their motion for summary judgement from May 6, 2020 to June 12, 2020.

The reason for this request is that due to the current world health crisis my office was completely closed for an extended period of time. I was still working remotely; however, I was unable to enter our physical office space for any reason. The files for this case are voluminous and are in my office and therefore have been unreachable. I was only recently granted permission to enter the office for the limited purpose of retrieving the files. I am hoping to be able to arrange to go and get all of the documents and the files soon. Additionally, the pandemic has caused substantial changes in my schedule and over all responsibilities which has also made it difficult to meet the previously set deadline.

I appreciate the Court's courtesy and understanding during this difficult time and I thank you in advance for even considering this request. This is the first request for an extension of time to file the motion for summary judgment.
